

Dear client,

Within the framework of the management of the coronavirus COVID-19, the Belgian government explicitly stated in its Ministerial Decree dated from November 1<sup>st</sup> 2020 that companies within the insurance sector were necessary to protect the vital needs of the Nation and the needs of the population.

This is the reason why we are authorised to maintain our activity as long as we comply with the established rules, i.e. favouring teleworking, respecting barrier gestures and limiting access to our offices with the provision of hydroalcoholic gel and masks.

We have also appointed a contact person to whom you can report any contamination by the COVID-19 coronavirus in order to facilitate contact tracing. Should this be the case, please do not hesitate to inform our COO, Annette Senn, by e-mail [annette.senn@eeckman.eu](mailto:annette.senn@eeckman.eu) or by telephone on +32 2 539 00 80. She will take the necessary internal measures.

Thank you in advance for this gesture of solidarity,

Take care of yourself and your loved ones.

The Eeckman Art & Insurance team
